PROFILE

My name is Mehmet Ardiç, I am from Eskişehir, and I have completed my military service. I am currently focusing on frontend development. With my strong communication skills and ability to work well in a team, I aim to contribute effectively to projects. I am skilled at quickly acquiring new information and adapting to new environments, and I am committed to working in a learning oriented and growth focused manner to make a meaningful impact.

WORK EXPERIENCE

Full Stack Developer

Corebit Tech. A.Ş. 2021 - 2022

- I developed solutions for both the frontend and backend of the Bizitravel application, which addresses travel and accommodation issues for companies.
- On the frontend, we were using HTML5, CSS3, JavaScript, Bootstrap, and Angular to develop solutions.
- We used AWS for the cloud system and SQL (MySQL) for the database.
